28 January 2026

To whom it may concern

Our slogan for 2026:

"It is time! Yesterday is gone, tomorrow has not yet come. We only have today. Let us begin!!"

Muriel Brand School, established in 1969, is a non-profit organisation and one of the largest schools for special needs education in Gauteng. Imbued with a combination of inspiration, aspiration and innovation, the school is governed and guided by our learners' exceptional needs.

GOLF DAY 2026 – MURIEL BRAND SCHOOL

We are hosting a Golf Day at State Mines County Club in Brakpan on the 19th of March 2026. We have many parents, due to circumstances beyond their control, who can no longer afford their school or hostel fees. We also support our needy learners with basic school needs such as uniforms, food and school supplies. Our Para-athletes qualified to attend the SASAPD Toyota National Championships for the Physically Disabled, hosted in Stellenbosch from 27 March – 1 April and are also in need of funds to attend this prestigious event.

Players can book a four ball for R2 500 or sponsor a green from between R5 000 to R10 000. Sponsors will be able to display and market their business for the day. We also welcome any form of donations, gifts etc. Any help or support is appreciated.

NB! We realise that you might not know you can benefit by contributing to a worthy cause like ours. Most companies pay tax and SARS allows you to donate 10% of your taxable income to a registered company/school like Muriel Brand School. In other words, instead of paying all your tax to SARS, you have a say in how they allocate that money.

For any donation (or value of gifts, prizes or vouchers) we will issue a tax benefit certificate (Art 18A). This Certificate can be handed in at the end of every financial year to SARS, and your company will receive the deduction on your tax. Our Golf Day is going to be an annual highlight every year, and we encourage people and businesses to get involved.

Therefore, keeping the individual strengths of each learner in mind, we at Muriel Brand School strive constantly as a collaborative team to achieve our goals which are focused on the education and training of learners with cerebral palsy, permanent physical disabilities, metabolic disorders or syndromes, traumatic brain injuries as well as specific learning disabilities.

To book a four ball, sponsor a green or get involved please contact:

Lauren Fremouw 082 295 4038 for involvement and sponsorships.

Antoinette van Heerden 011 817 9300 for all bookings and EFT payments.
